

Timestamp	Do you enjoy/play tabletop RPG games (D&D or Pathfinder)	Which RPG do you prefer	What do you wish you had when you're playing Pathfinder?	We are working on an app that makes Pathfinder gameplay easier for new players and Game Masters. An easy to use data base that can quickly look up abilities/spells, both for character creation and in play information. How much would you pay for this service monthly?	What rule sets would you enjoy seeing included in the app?	If for the last question you selected other, please specify which variants, campaigns, and systems you would like to see included.	How likely are you to use an app like this for gameplay.
